**2019**

Dear Shoppers,

Factory Outlet Tours offers you another great year of warehouse/factory outlet shopping where you can bring your family and friends along on a fun day out and grab a few great buys along the way.

We know fundraising is a very important part of our business because many of our groups in the past have chosen this way to do fundraising, being schools, sports clubs, dance studios, charities, social clubs, bowling clubs and many more. They all agree that it is definitely the best day out and found the fundraising to be very successful.

So why not give us a call and we can help you plan your day. Our staff are regularly visiting the warehouses so they can advise groups of what they sell and also what warehouses can make you the most money on the day.

Factory Outlet Tours believes still after all these years that we are still the "Shopping Tour with a difference."

Come join us for a great day of shopping.

Debbie  
Director
